TC 121/16 Bridge Young Carers Project : Young Carers Neighbourhood Charter

The Town Clerk provided Members with details of a draft Young Carers Policy and Procedure which would help to deliver awareness and support to young carers in the community.

Members were informed that a Young Carers Charter had been developed to recognise young people and families within a caring role and work alongside them to allow positive changes in their lives. In order to sign up to the Young Carers Neighbourhood Charter, there was a requirement for Shildon Town Council to adopt a Young Carers Policy and Procedure to enable the Town Council to work together with the Bridge Young Carers Service to develop a shared understanding of support pathways available to young carers.

Recommended that Shildon Town Council adopt the Young Carers Policy and Procedure in order to receive Charter accreditation and continue to actively work with the Bridge Young Carers Service to support the awareness programme.

Resolved that the schedule of mayoral engagements be received.
