

Shildon Children & Young Peoples Awards 2018

We want to highlight and reward exceptional achievements of Shildon's Children & Young People which often go unseen and unrewarded.

This is where you come in!

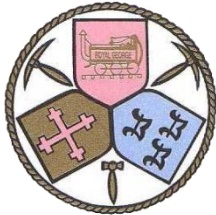

We would like to ask you ('you' can be an adult, a group leader or a young person yourself) to nominate a child or young person who you think deserves to be recognised for their hard work, exceptional talent or care.

Whether it's caring for others, or giving up their time to improve the lives of people around them, children & young people can play a vital role in making our community a better place to live.

Please nominate a child or young person today!
